Activities I Enjoy:

I enjoy spending time outdoors, going on trips, art and music. I love being read to, especially Goosebumps and Harry Potter books.

What I want In a Family:

I want a family who will nurture me and spend a lot of one to one time with me. I want a family who will read to me and support me in the activities I want to do.

What We Want Families to Know about Him:

We want families to know that Matthew is a sweet boy who has captured the hearts of his caregivers. We want families to know that Matthew will need supervision around other children to help him make good, safe and appropriate choices. Matthew has a great sense of humor. Matthew does have some medical issues that are manageable.

What We Are Seeking in a Family for Matthew:

We are seeking a two parent family or a strong single parent family for Matthew. Matthew should be an only child or be much younger than siblings.
